

# Academic Services for Student Athletes Football - Graduate Assistant

---

## **Overview of Position**

Academic Services for Student Athletes is a support component housed within the Learning Assistance Program. We provide a comprehensive range of academic advising, personal support and eligibility oversight for student athletes at Appalachian. Our professional staff works closely with the individual students, teams and coaches of all established varsity sports programs at our University.

## **Responsibilities**

Demonstrate commitment to and compliance with the University and Department of Athletics policies and procedures as well as Sun Belt Conference and NCAA constitutions, bylaws, legislation and regulations.

Appalachian values academic excellence as well as athletic achievements and insists that individuals are students first and athletes second. Academic Services for Student Athletes helps students prioritize academics by providing this comprehensive support system throughout the student athlete's college career.

Monitor the academic progress of assigned caseload of student-athletes, to include:

- Coordinate with academic advisor, and assist with oversight of students' individual educational plan
- Conduct regularly scheduled meetings with individual students to review assignments, grades, learning strategies and study plans
- Assist students in connecting with appropriate academic resources
- Monitor study hall and class attendance
- Attend weekly meetings with supervisor
- Provide supervised study time for specific student athletes.
- Teach, model and monitor students' work for academic integrity
- Other duties as assigned.

## **Compensation**

\$4,000 per semester (\$8000 for the academic year) for 20 hours per week.

## **Supervision**
